FOR IMMEDIATE RELEASE

SkyWest Airlines Launching United Express Flights from Liberal to Denver in 2018!

LIBERAL, Kansas, Nov. 21, 2017 – SkyWest Airlines is excited to bring United Express air service from Liberal to Denver beginning in February 2018! The new United Express flights, operated by SkyWest, will take off beginning Feb. 6, 2018. Tickets are available today at united.com.

“Passengers on the new United Express flights to Denver will appreciate the increased number of available seats, full-size cabin and seamless travel process from the minute they check in,” said Greg Atkin, SkyWest Airlines managing director – Market Development. “It will now be easier than ever to fly from Liberal to Denver and anywhere else in the world you want to go on United’s global network.”

Each of the daily flights from Liberal Mid-America Regional Airport (LBL) to Denver International Airport (DEN) has been timed to provide maximum connection opportunities for both business and leisure travelers. Customers will also have the opportunity to accrue frequent flier miles in United’s MileagePlus loyalty program. And with 370 daily United and United Express flights from Denver, Liberal travelers have access to destinations around the globe.

Liberal passengers will enjoy service aboard the quiet, comfortable Bombardier-manufactured Canadair Regional Jet, CRJ200. SkyWest Airlines is a top CRJ200 operator and has been named the manufacturer’s most reliable operator in North America five times.

Customers may book flights immediately at united.com or by calling United reservations at 800.UNITED.1 (800.864.8331). Remember, the best fares are always available at united.com.

About SkyWest Airlines:

SkyWest Airlines is a wholly-owned subsidiary of SkyWest, Inc. (NASDAQ: SKYW). As a leading air service provider offering global access to millions of people each month, SkyWest partners with the world’s largest network carriers including United Airlines, Delta Air Lines, American Airlines and Alaska Airlines. With a fleet of 421 aircraft, SkyWest’s more than 12,200 aviation professionals operate more than 2,000 flights each day to 226 destinations throughout North America. SkyWest is known for its industry-leading workforce, exceptional leadership team, and continued solid operational and economic performance. The airline is headquartered in St. George, Utah.
